

Johns Hopkins University, Whiting School of Engineering
ENGINEERING INNOVATION SUMMER 2009
FINANCIAL AID APPLICATION

Limited need-based financial aid is available through Johns Hopkins University's Engineering Innovation thanks to the generous support of local individuals and corporations. This financial aid is available on a first come, first served basis and ranges from partial to full tuition awards.

Applications for financial aid **MUST** be *received with the program application* to be considered and **only COMPLETED financial aid applications will be reviewed**. Applicants for financial aid must be citizens or permanent residents of the United States. Financial aid is only available for the academic program tuition. There is no financial aid available for the residential component.

Instructions for Financial Aid Applicants

To be considered for financial aid for the Engineering Innovation program, complete and submit the following materials with your application.

- Completed Application for Admission
- Completed Financial Aid application
- Essay (see question below)
- A signed copy of your family's 2007 federal tax return.

INCOMPLETE FINANCIAL AID APPLICATIONS WILL NOT BE CONSIDERED
