## Applicant Agreement

### (student signature required)

If admitted to Engineering Innovation I agree to abide by the academic and social policies of the program and of Johns Hopkins University. I understand that failure to abide by these regulations may result in dismissal and that if dismissed from the program, I will not receive a refund, college credit, or certificate of completion.

Student's Signature: \_\_\_\_\_ Date: \_\_\_\_\_

A grade of an "A" or "B" is required to obtain JHU transferrable credits. Students who pass the class with a grade lower than "B" will be issued a certificate of completion. Some high schools may award academic credit for the successful completion of the course. Daily attendance is required to receive an "A" or "B." This is a condensed course and all absences must be approved by the instructor. Medical absences will be given special consideration.

Johns Hopkins University does not discriminate on the basis of race, color, gender, religion, sexual orientation, national or ethnic origin, age, disability, marital status, or veteran status in any student program or activity administered by the university or with regard to admission or employment.

If you are an individual with a disability who is in need of special accommodations, it will be necessary to provide appropriate documentation to the university for review. For documentation guidelines, please see our website at [www.jhu.edu/disabilityservices](http://www.jhu.edu/disabilityservices). All documentation and requests for special accommodations should be submitted to the Engineering Innovation office with your application.
